Start Day:

Sunday

No. of Lessons:

0

No. of Weeks:

0

Total No. of Hours:

0.00

E: info@tacc.ac.uk

Description

These courses help you build the knowledge and skills needed when working with children in pre-school settings. These skills are also applicable to a diverse range of job roles in children and young people's workforce settings. You will learn about the value of play, child development, partnership with parents and building positive relationships with children.

Courses available include tasters, courses with guaranteed job interviews, level 1, level 2 and 3 qualifications

Our Level 1 and Level 2 courses may be FREE if you are unemployed or earn below £20,319.

If you enrol on a Level 2 course, you will need access to a placement and need support from a professional within the real environment who will be required to complete professional development records.

Level 3 courses are intended for those currently working in the sector. We will require a letter from your manager to confirm you will be able to undertake certain duties and tasks to provide evidence of work-based competence for your portfolio.

Before starting your course, you will need to attend a skills scan to ensure you are joining the most suitable course for your needs. Prior qualifications will be taken into consideration where relevant. To book a skills scan session, click on the green Enrolment Information button online, or call 01375 372476.
