Description

Would you like to learn some basic first aid to help you deal with an emergency at home? Come and meet our friendly tutor to find out how to respond in a range of situations.

Entry Requirements

Parents/Carers.
Over 19's only.

Learning Objectives

During this session you will:

- * Understand what first aid is.
- * Be able to assess an emergency situation.

Further objectives could be:

To understand the difference between giving CPR to an infant, junior or adult.

To understand the differences when giving CPR to a drowning casualty.

To be able to give first aid to a choking casualty.

By the end of the workshop you will have had the opportunity to work with others on building your confidence and skills in everyday settings.

Resources/Equipment

We advise you not to purchase anything before your lesson as we are unable to refund the cost of these in the event a course is cancelled.

- * Notepad and Pen

Progression

Other FL or Wellbeing sessions at the Children's Centre, online or at other centres.

Health/Medical Conditions

Please advise your tutor of any medical or health issues that may impact on your learning or your safety whilst attending the college.

The College wants to make sure every learner has the best chance to achieve their full potential. If you need any help or support on your course, and you have not told us already, please speak to your tutor or email TACC@thurrock.gov.uk and a member of staff from our Learner Experience Team will contact you. Everything you tell us is in confidence and we will only use this to help you on your course.
