Description

These courses are suitable for those wanting to further their counselling knowledge. You will learn how to reflect on personal development, what core counselling skills are and how to establish a therapeutic relationship. Having the right combination of skills will ensure that, once you become a counsellor, you're providing the best possible service to those who need it.

Please note these courses are to develop your skills to train and work as a counsellor. They are not intended to provide personal counselling.

We offer part-time courses delivered both in the classroom and online or a mixture of both (Blended Learning) from Level 1 to Level 3. Level 1 and Level 2 courses may be FREE if you are unemployed or earn below £20,319. If you are aged 19 or over and do not hold a full level 3 qualification your level 3 course could be FREE -

Before starting your course, you will need to attend a skills scan to ensure you are joining the most suitable course for your needs. Prior qualifications will be taken into consideration where relevant. To book a skills scan session, click on the green Enrolment Information button online, or call 01375 372476.
