Description

Our comprehensive Counselling Skills program offers 2 levels of training designed to build your expertise step-by-step. Level 1: Award in Counselling Skills introduces fundamental techniques such as active listening and empathy, perfect for beginners and those looking to enhance interpersonal skills. Level 2: Certificate in Counselling Skills delves deeper into advanced techniques, human psychology, and practical applications, ideal for those who have completed Level 1 or professionals seeking to deepen their knowledge. Enroll today to start your journey in becoming a skilled counsellor. Classes are held at Thurrock Adult Community College. Courses may be FREE if you are unemployed or earn below £25000. To book a skills scan session, click on the green Enrolment Information button online, or call 01375 372476.
