Description

Would you like to learn some basic first aid to help you deal with an emergency at home? Come and meet our friendly tutor to find out how to respond in a range of situations.

What will I learn?

An essential course for all new parents and carers – looking at a range of first aid skills to help you keep your child safe. This course will cover CPR and choking and look at a range of childhood illnesses. The course is a practical, hands-on course with opportunities to practice your life saving skills.

This is an awareness session and covers the basics, but would not be suitable for those seeking a professional qualification for a workplace setting.

Entry Requirements

None

What do I need to bring?

All resources will be provided.

What support is available?

You can arrange to see an information, advice, and guidance (IAG) advisor for career guidance and support.

The Discretionary Learning Support Fund (DLSF) can be used to help with travel costs and other expenses, our Learner Experience Team can support you with your application.

If you require any additional support or have any special requirements that you have not already told us about, please inform us as soon as possible by emailing: TACC@thurrock.gov.uk a member of our Learning Support team will contact you to talk about these confidentially.

Please advise your tutor of any medical or health issues that may impact on your learning or your safety whilst attending the college.

What is expected from me?

We expect all our learners to partake fully in all sessions and to enjoy themselves. Please be on time for all sessions and if you cannot make your class, please contact your tutor or the college

Key dates

Additional information

You will need to be able to get down onto the floor to practice CPR, so loose comfortable clothing is essential.

What can I do next?

We have a wide and varied range of classes at Thurrock Adult Community College and with our partners across the borough. Your tutor will be able to advise of other sessions, but also check out our college website and social media pages for new and exciting courses throughout the year.

We are also able to offer English, maths, Digital Skills and Employability at a wide range of levels to meet individual needs.

We can offer our Family Learning courses in partnership with community organisations across the Borough, so please let us know if this would be of interest.
