Description

This course is designed for individuals who work with or are interested in working with children and young people. This qualification will be delivered online live and provides a comprehensive understanding of children's mental health, including the factors that affect their well -being and how to support them effectively. The course covers essential topics such as mental health conditions, the impact of the environment, and the importance of early intervention. Courses may be FREE if you are unemployed or earn below £25000. To book a skills scan session, click on the green Enrolment Information button online, or call 01375 372476.
