Learning Outcomes

This 3-week interactive course is designed to help learners develop self-confidence, overcome self-doubt, and embrace a positive self-image. Through guided discussions, practical exercises, and real-world applications, learners will build the skills necessary to sustain confidence beyond the course.

By the end of this course, learners will:

Understand the foundations of confidence and self-esteem.

Learn strategies to challenge negative self-talk.

Develop resilience against self-doubt and criticism.

Learn to accept praise and positive feedback.

Build a sustainable action plan for lifelong confidence
