## Description

All maths courses are free, subject to availability. All our courses are part -time and run over a duration of up to 16 weeks. Courses start in September or February, but you can enrol at any time throughout the year.

Prior to the course, you will need to come in to Meet The Team - these sessions could last 3 hours. You will need to book a session by emailing [tacc@thurrock.gov.uk](mailto:tacc@thurrock.gov.uk) or calling 01375 372476.

The course start and end times are school friendly enabling you to drop off or pick up children and evening classes are available. We will focus on using maths to solve problems found in everyday life as well as in the workplace.

You will develop independent learning skills and confidence using maths in a range of contexts. Before starting your course you will need to attend a skills scan to ensure you are joining the most suitable course for your needs.

Prior qualifications will be taken into consideration where relevant.
